

Be Prepared.

Here's how to be ready for Kindergarten.
Practice the following skills with your child.

P Print name with
a capital letter.

R Read, read, read.

E Engage in meaningful
and detailed conversation.

P Practice using
pencil and scissors.

A Always remember the basics
(letters, numbers, shapes and colors).

R Rhyming word practice.

E Encourage your child to
use their imagination.

D Dedicate time every day
for physical activity and
social opportunities.
