

# 2021 annual report

## Sandusky County Family & Children First Council

VISION: Sandusky County is a place where all individuals and families are healthy in mind, spirit and body, living in a safe, supportive community that provides opportunities for successful learning, working, playing and living.

**Stacey Gibson, LSW, OCPC**  
Council Director

**Heidi Sanders, LSW, OCPS**  
Wraparound Coordinator

**Kim Moyer**  
Wraparound Facilitator

The Sandusky County Family and Children First Council is a cost-effective team-driven organization that brings families, community and government together to help prevent and solve problems. FCFC works to mobilize the community around issues related to families and children and engage them in action, reduce duplication of effort between organizations, make better decisions that lead to better investments of public dollars, and evaluate the impact.

## Wraparound Service Coordination

Wraparound Service Coordination is a function of the Family and Children First Council which provides coordinated access to services for families with needs in multiple systems and builds on the strengths of the social services already provided. Families can be referred by another agency or make self-referrals for assistance to address current needs or obstacles to support the children in the home and maintain family stability.
